Dear Russell and Leslie,

On behalf of the LAI Executive Committee, Board of Governors, Land Economics Foundation and LAI guests, I want to thank you for all of your time and effort to host the 2016 Toronto Land Economics Weekend held September 22-24, 2016.

I can testify from personal experience that planning and hosting a LEW is no small task. The programs and tours were a great representation of what makes Toronto unique and special. The awards dinner at the CN Tower was a great way to end the Simcoe Chapter LEW experience. LAI guests truly enjoyed the experience. You and your committee are to be commended for a job well done!

Please pass along my thanks to the Simcoe Board and Chapter members for their participation and hospitality. Please join us for the next LEW in Philadelphia, PA April 27-29, 2017.

Again, thank you for all your hard work, dedication and leadership to LAI!

Truly yours,

A handwritten signature in black ink that reads "Steven R. Gragg".
